

Hello Parents/Guardian

My name is Pastor Matt Lacey, my wife, Jacqui and I have been the Youth Pastors here for going on 7 years now. My wife grew up in the church and had both parents very active in her home and life. I grew up with a single mom who prayed and loved me. However, the world got the best of me for a season, thank God He woke me up at the age of 18, and I have never been the same. We both knew, before we were even introduced, that we were called to full time ministry, and this generation has grabbed a hold of our hearts, we LOVE what we do, we have such a God given passion for your children! Our first taste of ministry was here at Faith Fellowship when my wife was 19 and I was 20, we have been here ever since.

God has used us to bring this ministry from just 3 high school students and 25 junior high students to a ministry of over 300 youth! Praise God!

After your child has visited our church, we mail out a welcome letter along with our cell phone number and a voucher for the next time they visit to receive a free item from the snack bar. All this to say that they are family and we're here for them, please note that we are not trying to "recruit" your child, we just want to be a place of safety where they can hangout and have fun.

Above all, we want to connect with you as parents, you are the #1 influence in your child's life, as it should be, so we want to make sure that we build a solid relationship with you. You will receive periodic letters to inform you of changes to our schedule and main events that we will be putting on. If you are able, we would love your email as one way we can stay in touch. We encourage you to visit us as well on a youth night, or Sunday morning so we can meet you face to face!

If you have any questions or comments, please feel free to call/email. Please check out our website, and our facebook account as well.

Thank you so much and God bless,

Pastor Matt Lacey
